## About your Conservative Candidates

### Sally Appleby

It's been a privilege to serve as your District Councillor for the past 12 years. I've spent a lot of time over those years dealing with residents' problems and listening to parish councils. And I live here in the ward so your concerns are my concerns!

A major issue has been new housing and the pressure that brings on infrastructure. The Council's new Local Plan took back control from developers and our *Infrastructure First* campaign means we can now make sure new housing triggers the infrastructure we need.

Traffic is a problem in all our villages, and I continue to work very hard with the County to find solutions to relieve this pressure. But infrastructure is more than just roads - it

includes things like GP's surgeries. I'm delighted that NKDC is now pioneering innovative ways of supporting our NHS to bring new funding and new health services directly into our communities.

As Vice Chairman of the Audit Committee I've helped ensure NKDC has a balanced budget. And that means that in a tough economic climate we can continue to provide the high quality services on which our residents depend.

### Peter Rothwell

As well as being one of your district councillors I have also been a Witham St Hughs parish councillor. So I understand local issues from a local point of view - what affects you also affects me!

I helped lead the campaign against the rendering plant and spoke against it on planning committee. I also backed the Bomber Command Gateway Lancaster statue.

I'm passionate about protecting our community halls and sports grounds and I will continue to fight to control traffic and speeding in our villages and to protect our natural environment. And to make sure any new housing provides what our residents actually need - not just what developers want. And I keep busy for you at NK where I serve on 8 committees as well as Council.

Our villages are great places to live. They need councillors who know how to get things done. You can trust Sally and me to be strong voices for local people.

Remember you have **two** votes in the District Council Election. **Use both to vote for your local Conservatives** If you would like to raise an issue of concern, or help our campaign, please contact us on :

## Campaigning for you in Eagle, Swinderby and Witham St Hughs all year round – not just at election time!

We have campaigned and supported you at your parish councils, to ensure our facilities meet the changing needs

of our families. We also campaigned alongside you on the recent rendering plant application to make sure that our

voices were heard by the decision makers and the developers so that our communities did not suffer.
